THREE CLAIMS AGAINST THE CITY CONSIDERED

Two Are For Falls on Ice Walks—The Third for Injuries on Defective Highway.

Four claims against the city of Willimantic were heard by the claims committee at a meeting held this week. The committee consists of Aldermen William McIntosh, William L. Jennings, and George M. Graves with Corporation Counsel Thomas J. Kelly.

The first claim was that of Miss Elizabeth Maxwell of 84 Oak street, who on Thursday, March 2, 1916, slipped and fell on an icy spot on the sidewalk on Oak street, breaking her right arm. Her claim was for \$175 which included medical services, nursing attendant and loss of time at her occupation. She made no claim aside from that of actual expenses caused from her injury and loss of time at her position which was eleven weeks.

The second claim was Dr. Fred Rogers who on Sunday, Feb. 22, 1916, slipped on an icy spot on the sidewalk on Church street, breaking his left arm. He asked for \$75 which included all his expenses but made no claim for loss of time.

The other claims were those of Mrs. Elnor Latham and her employee, Mrs. Margaret L. Southwick. On January 29, 1916, about 7:25 p. m. they were driving to this city their horse stepped into a four foot excavation on West Main street, throwing both out of the wagon. Mrs. Latham claimed as the result of the accident she had been ruptured and asked for \$500 damages. She showed a bill of \$27 and said that the balance of the claim was for pain suffered. Mr. Marcotte presented a claim for \$17 for a suit of clothes that had been damaged and \$5.50 a day for two days, figuring lost time.

Reports on all the claims will be made by the committee at the next meeting of the common council.

Rain Spoiled Maine Fishing.

General E. S. Boss, John J. Hickey and E. A. Winter have returned from three weeks' stay in camp at Sebago Lake, Maine. Rainy weather interfered with their pleasure somewhat. The first two weeks, most of the time was spent in fishing for landlocked salmon, forty of them being caught, which weighed from 2 1/2 to four pounds. General Boss caught the largest, it weighing four pounds and two ounces. The trip was made by automobile.

MASONIC CHARM

Presented Gen. E. S. Boss at Thread Company's Office Friday.

At the office of the American Thread company in this city Friday morning, General E. S. Boss was presented a handsome gold Masonic charm by T. P. Hovey in behalf of the superintendents, overseers and others of the company. The charm is a replica of the ordinary Masonic charm but more elaborate as it was made to order. On one side is engraved the Knights Templar symbol. On the other side are the symbols of the Shriner and Trinity chapter. This side of the charm has several diamonds set in platinum.

A Home Without Pain

There is scarcely a home in many places that does not have, ready for instant use, a bottle of Minard's Liniment, because this old, reliable, creamy liniment always brings speedy relief from pain. Its influence is felt the moment it is applied—and it has been sold successfully in thousands of towns for more than 60 years—because most every one knows that when Minard's is, you will find a home without pain. Pain of every kind gives way to a simple Minard Liniment treatment. It is stainless, economical and clean to use, and is always dependable.
